**PLYMOVENT®**  
clean air at work

### About Plymovent

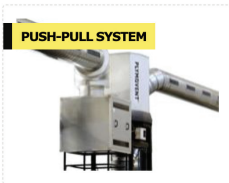

Plymovent is a global, leading supplier of products, systems and services for the extraction and filtration of polluted indoor air. They provide high-quality solutions that remove welding and cutting fumes, grinding dust and oil mist in the metalworking industry. Additionally, they offer solutions for the capturing and removal of vehicle exhaust gases. Plymovent products contribute significantly to a cleaner, safer and healthier workplace.
