

# EXCLUSIVE AT MASTER

## IN ALL OUR REGIONS

### About Blauberg North America

A future- and client -orientated company, which stands for innovative technology and timeless design for the ventilation industry. With a great range of the fans and ventilation accessories, Blauberg North America is the first office in the US providing the best high-tech energy-saving ventilation equipment in North America.

### FEATURED PRODUCT

## REGEN TECHNOLOGY FOR SUPERIOR ENERGY RECOVERY

DELIVERING UP TO 95% EFFICIENCY

### What is ReGen?

ReGen is Blauberg's innovative Regenerative Core System. It alternates airflow paths to recover heat and moisture from exhaust air and transfer them to incoming fresh air.

### Features

- Sensible or enthalpic aluminum cores
- Dual motor for precision control across uneven pressure faces
- Smart 0–10 vdc controls with economizer mode
- Constant and variable air volume control
- Built-in frost/freeze protection
